## **Pexagon Technology Announces the Launch of their Affiliate Sales Program.**

*Aggressive commissions and Paypal payouts make it easy to make money while promoting quality products consumers can really use.*

Guilford CT – February 16<sup>th</sup>, 2007 - Pexagon Technology, Inc. the leader in making storage personal, announces the launch of their affiliate sales program. By offering aggressive 10% commissions and automatic Paypal payouts with an average sale of \$100+, it's never been easier to earn money on the internet while promoting quality brand name products.

Pexagon manufactures personalized portable hard drives and USB flash drives, available in multiple colors with custom laser engraving. Pexagon's USB flash thumb drives are available in 14 colors, 4 capacities (512MB, 1GB, 2GB & 4GB) and offer FREE custom laser engraving. There are no order minimums and no additional turnaround time for personalization. Pexagon's Store-It line of portable hard drives features a "Pro" series, boasting a pocket-sized 2.5" Hitachi Travelstar hard drive inside a hi-speed USB enclosure with one-button backup and award winning Retrospect Xpress backup software. The "Colors" line also features a 2.5" hard drive inside a hi-speed USB enclosure and is available in 5 exciting colors with FREE laser engraving. Both lines are available in storage capacities of 40GB, 60GB, 80GB, 100GB, 120GB as well as the all new HUGE 160GB, in the tiny 2.5" form factor.

Pexagon not only makes storage personal, but they make earning money easy. Affiliates will be given everything they need to be profitable; from banners to text ads, as well as 24/7 sales tracking. There is not cost to join the program and you can be up and running the same day. Simply visit the affiliate signup site: <http://affiliates.pexagontech.com> to register.

Pexagon's Affiliate Program is perfect for webmasters looking to earn legitimate income by promoting quality products. The program is also great for students and work-at-home internet surfers trying to earn a few extra bucks online.

About Pexagon – Pexagon Technology is a developer and manufacturer of innovative personal storage solutions with a focus on "Making Storage Personal" by offering quantity one choices in color, capacity, identification, and content. The company and its management have been creating and marketed unique digital products for consumers and businesses since 1986. Pexagon's products are available direct and through many channel partners, including Dell, J&R, CDW and many others. Pexagon is also the development and fulfillment partner for The Complete New Yorker Hard Drive – a personal storage device that contains 4164 copies of every New Yorker Magazine published since 1925.

More information about the company can be found at [www.pexagontech.com](http://www.pexagontech.com).
