

# Custom Shape Flash

## Hi-Speed USB 2.0 + 3.0 Flash Drive

Why have a flash drive like everyone else, when NOW you can get a custom design in a FLASH! With your picture or sketch, we can design one quickly, easily and for far less than you would expect. With this custom designed drive, your customer will always know who it is from, and you can even load content for a great delivery system for all of your marketing needs.

*We know it will make you look good!*

### It's as Easy as 1, 2, 3!

1. Simply email a picture of the design you have in mind to receive a rendering within 48 hours.
2. Choose your capacity.
3. Choose your quantity of 100 or more.
